

## At the Library

The holiday spirit blossomed – literally – at the **Ellenville Public Library & Museum** when, on December 7<sup>th</sup>, the *Shawangunk Garden Club* hosted *A Victorian Christmas*. Garlands, greenery, boughs, berries, and a large Christmas tree joined handmade Dickensian ornaments and crafts, homemade cookies, and the *Ellenville High School Chamber Singers*, to make the festivities at the **Museum's Terwilliger House** complete. ✨

*Kids and parents create holiday crafts at the Ellenville Library's Holiday Party, December 8<sup>th</sup>. Music by the Percussion Orchestra of Kingston and an international dessert table were featured, too.*
