

Local Business Is *Our* Business

ENB's MISSION:

Ellenville National Bank is a locally owned independent community bank dedicated to providing its customers with a very high level of personal service throughout the tri-county region of Orange, Sullivan and Ulster counties.

OUR VISION:

Through an unwavering commitment to our Quality Statement and mission, a strong positive corporate culture, and the strategic management of technology, we will provide a level of consistently superior personal service that will set us apart from other bank and non-bank competitors.
