

Share in their joy.

Robert Lynch
Vice President &
Chief Financial Officer

“There’s a certain light in the athletes’ eyes. A certain joyful smile that says, “I did it!” And a certain way of hugging the coaches and volunteers to celebrate a personal best. This just has to be Special Olympics. If you’ve never experienced the joy of a Special Olympics competition, this is your year. New York Winter Games are coming to Ellenville on February 21 and 22. The excitement begins with opening ceremonies at 8 p.m. on Friday at Nevele Grand. Athletes compete in nordic skiing, figure skating, speed skating and floor hockey at Nevele Grand on Saturday, and Alpine Skiing at Holiday Mountain. Closing ceremonies and a victory dance will top off the day. Ellenville National Bank hopes you’ll come and celebrate with the athletes of Special Olympics . . . and share the joy that comes from giving your best.”
