Letters

To the Editor:

Happy to see this come about!

To all who made this a possibility, thank you (kudos, kudos)! I have been looking for a local source of business information, and now we have one! Happy and blessed New Year to all! May our area flourish and become one of the best places to live and work!

To the Editor:

How could I go about getting copies of the Wawarsing.Net sent to me each month?

Rose:

Sorry, but the Chamber has no provision – neither the staff nor the budget – to do that at this time.

You can get each month's copy ONLINE in the same exact B&W appearance as the print versions, as well as in color, by going to <http://Wawarsing.Net> and following the links to the .pdf versions of each page which you may download one at a time and print them out, if you prefer.

As an alternative, if you know anyone personally in the Wawarsing area, a relative or friend perhaps, you can ask them to mail you a copy. We just don't have the staff or budget to do this, unfortunately.
