(Don't see your location listed here? Call or email to be added to our route!)

Special Thanks to Gary Clearwater for agreeing to take on the role of Distributor-in-Chief!

From the Editor

What's black & white and "read" all over?

Well, thanks to you, our loyal *and* new readers, *WE* are! With dozens of distribution points throughout the entire town of Wawarsing, if you live or work in town, or merely travel through, you can easily pick up a *FREE* copy within a few days of printing. (Of course, you can always read a *COLOR* copy online at our website, www.Wawarsing.Net, even if you live in Timbuktu... and have an Internet connection!)

We don't have any scientific survey figures yet, but, based on the number of copies taken (and reports of heavy waiting-room use) we figure we have the greatest "eyeball" coverage in town, and not just for a quick glance-through and toss. (So far, we've had no reports of *Wawarsing.Net* being used to wrap fish in, which suggests that some of you are even keeping issues for reference or posterity!)

What's black & white and *in the black* all over?

Well, thanks to our loyal *and* new advertisers, *WE* are! Our very first printed issue of *Wawarsing.Net* in December was already in the black. The winter months, being hard on business for one and all, left us just near or under the break-even point, but we came roaring back last month, in part thanks to our new Ad Rep, Sylvia Fogarty.

(Call Sylvia at 647-3877 [email Ads@Wawarsing.Net] to set up a meeting to discuss your advertising requirements and options, or extend your multi-month run to save more!)

And we're doing even better this month, as we've had to add four more pages to keep from looking ad heavy/article light! More work for the Editor (so, who's complaining?).

We've just printed 3-part versions of our *Ad Agreement*, which will be available shortly. For a plain blank copy of the *Ad Agreement*, see the March issue, or download the form from the March issue on the *Wawarsing.Net* website, or contact Sylvia directly for the new NCR form.

Ignore last month's announcement that the *Chamber Membership Application/Renewal* form for 2003 Annual Membership was not going to be printed here again. The *Chamber Board* says they're working too well! So, if you haven't done so already, fill out the form on **page 5** and send it in with your check, so we can list this year's members in the next issue, and in our annual brochure.

Finally, the printing schedule for May (the June issue) requires that ALL copy be submitted by **Saturday, May 17th**. This **deadline** is positively absolute! Please try to confirm ad placement by **May 13th** as well. Thanks for your cooperation!

Cover: *Shadowland Theatre, Ellenville, Town of Wawarsing, Ulster County, New York, USA.*
Read a brief history of a local landmark, from the silent film era to rebirth as a purveyor of Broadway-caliber live theater. See **page 14** for Marion Dumond's article and pictures from the Ellenville Museum's collection. (Astute observers will note that the cover art "spotlighting" the marquee is a "dramatic" rendering of the 1938 daytime photo.)

Wawarsing.Net Magazine is published monthly by the **Ellenville-Wawarsing Chamber of Commerce, PO Box 227, Ellenville NY 12428, 845-647-4620, EWCCO@Wawarsing.Net**, which is solely responsible for its content.

Wawarsing.Net is also available online at www.Wawarsing.Net. Print and online versions are copyrighted by the Publisher.
