"Normal" bumper-to-bumper traffic on Route 209 on a Friday, around 5PM... Is this what the future will look like, 24 / 7?

Over 100 persons attended the **Chamber's** Public Information Meeting on the proposed *Modoc Catskill Casino*, April 24th at the **Ellenville High School Auditorium**. Among the panelists, addressing the traffic and other issues, were Planner Dan Schuster (below, center) along with Assemblyman Kevin Cahill (right) and attorney for the developers David Lenefsky (left).

More on the meeting in the next issue. And more to follow...

Men's and Women's Garment Alteration

Businesses, new or expanding, to be featured in upcoming issues of **Wawarsing.Net**:

Above, Joyce Puff mixes homemade chocolate at the new *Shortline Bus Terminal Snack Shop*. Since *Ritchie's* has closed, taking on the Shortline service is one more part of the expansion of *Dollar World*. We'll cover all this in an upcoming article.

Also expanding is *Stedner Printing*. Willie didn't want a photo taken until he had the new doors in and other finishing touches for the "official" grand re-opening, but he has already opened his new expanded office space next door to his old location, in the former *JCD Pharmacy* building. Rows of shelves offer stationery items right here in Ellenville you'd otherwise have to drive to Kingston or Middletown to find! Call 647-6493.

New to the area, also saving you a trip, is *The Eye Studio*. Dr. Lina Maria Escobar-Ibañez (below, left) and Georgine Matichuk (below, right) offer eye care services from glasses, contacts, or special orders, to full optometric practice including diagnosis, treatment, and management of ocular disease. More details in a future issue. Call 647-2020 (get it?) for more info today.
