

The Holiday Lights Committee

With a name like *Holiday Lights Committee*, you would naturally think this is the time of year when the members of the committee kick back and relax. This Committee, however, functions all year 'round and is also responsible for hanging the banners and flags that decorate the Town. The Committee is a joint effort of the *Chamber of Commerce* and the *Noonday Club*. Formed in 1992, the Committee is responsible for the purchase, maintenance, hanging, removal, and storage of the holiday lights that grace the Town of Wawarsing each holiday season.

This year, the committee will be retiring the seasonal banners and they will be replaced in the Village of Ellenville by 3' x 5' American flags.

Last year, we purchased several flag banners and they were so well received by the community that the Committee decided to use all flags this year. In all, 56

flags have been purchased and in large part they are being paid for by donations from members of the community.

Members of the *Ellenville Joint Fire District* will hang the flags in time for the July 4th Parade. The *Holiday Lights Committee* and the office of the Village Manager are coordinating this joint effort. 

Music In The Square

This year marks the fourth year of *Music in the Square*. Every Saturday in July from 5:30 - 7:00 PM, you can enjoy a free concert at **Liberty Square** in Ellenville. Each concert will feature a different type of music to satisfy a variety of tastes.

The Carl Richards Band kicks off the concert series on July 5th. This group is one of the area's favorite bands, playing what they call "Rock-a-Billy" music. The Village of Ellenville sponsors this concert.

On July 12th, *The Hudson Valley Brass Quintet* returns to Ellenville. This highly-accomplished brass quintet performs a wide variety of musical styles. From classical to Dixieland, you will enjoy listening to what is consistently a fine performance. *The Hudson Valley Brass* is sponsored by Ben & Jerry's Ice Cream and *Gillette Creamery*.

On the evening of July 19th, *The Swing Shift Orchestra* will perform your favorite big band music. This group features a talented vocalist who adds to the audience's listening pleasure. *H&R Block* and *Craft Chiropractic* sponsor this evening of music.

The Ellenville National Bank and *M&T Bank* sponsor the final concert of the series. On July 26th, *The Expressions* will make their debut appearance at **Music in the Square**. This group performs classic rock-and-roll to the top 40's.

Bring your own chair and shades and enjoy an evening of music each Saturday evening in July. In the event of rain, the concert will take place the same time the following evening. 

Yes, it's time for
a chiropractor.

Sometimes the things we love to do the most can bring pain or discomfort. Your doctor of chiropractic can help.

Using hands-on adjustments of your spine your chiropractor can help bring your body back into balance, stimulating your built-in mechanisms for healing. So don't let pain keep you from doing the things you most enjoy.
