

We Can All Make A Difference

"When you were a child just beginning to explore the world, was there someone special who made a difference in your life?"

Renée C. McCabe
ENB Vice President
& Marketing Officer

A teacher who sparked your love of learning?

A coach who taught you about teamwork?

Someone who knew how to make things fun?

Making a difference in young lives
is what Girl Scouts is all about . . .

providing opportunities to learn all kinds
of wonderful skills - and have all kinds of fun doing it.
Our own Sarah Wells Girl Scout Council is looking for
volunteers like you to become leaders and assistants,
or to help with activities like cookie sales.

To learn more call the Council Office at **361-2898**.

ENB knows there's nothing more special than our kids . . .
and the people like you who make a difference in their lives."
