

“On my honor, I will do my best...”

Simple words, but so powerful an entire organization was built upon them. The Scout oath has inspired generations of boys to become strong, caring young men who live their lives with honesty and integrity.

Through our Hudson Valley Council, boys learn skills that will serve them all their lives, like how to work & play as a team, and how to make good choices.

They learn about career opportunities, physical fitness, and the great outdoors, and they develop self-esteem and strong values.

We invite you to become a friend of scouting. Make a donation to the Hudson Valley Council, encourage membership, invest in the lives of our young men.

ENB thinks it's one of the most worthwhile investments there is.

For more information on Boy Scouting, please call 497-7337.
