Leroy Steinhilber, Larry Dumond, Alex Dumond, and Samantha Dumond (left to right) of Irish Cape Enterprises complete the brick housing on Aug. 20th for the new electronic sign gracing the front lawn of the **Ellenville Central School Building**. Below, the new sign is lifted into place and bolted. Thornton Electric was set to install power and communications cables so the sign can be up and running announcements and dates (sent to it by a computer in the central office) by early September.

Welcome Back!

by **Scott Shaw**, Assistant Principal

Ellenville Elementary welcomes back all staff, parents, and students! This year we will continue to set high expectations and standards for the academic and social development of all our students. We will continue to work towards excellence in teaching and learning by exceeding state standards on the NYS Assessments. We have created an environment that fosters a true sense of pride and accomplishment in students, staff, parents, and the community. Our theme this year is "Together We Succeed!" We will all walk a little taller because of our dreams and goals for the future at **Ellenville Elementary School**.

Looking forward to another successful school year!
