**ORANGE
COUNTY
SAFE
HOMES**

Where there's life, there's hope.
And where there's hope, dreams can begin to grow.
That's exactly what happens through the Orange County
Safe Homes Project every day.

Ellenville National Bank invites you to
**Orange County Safe Home's "Celebration of Hope"
Dinner on October 23rd**

at the Wallkill Golf Club in Circleville.

It's a wonderful way to honor some special people
who are helping create a safe harbor
for victims of domestic violence.

Proceeds from the dinner and silent auction benefit
Safe Homes. Guests of honor include Orange County
Attorney Catherine Bartlett and long-time volunteer

Grace Quinton. For reservations and information,
please call **Safe Homes at 562-5365 - and do so now.**
Your support will keep hope alive and help dreams to grow.
