

# Holiday Lights News

by Mary F Sheeley, Chair, *Holiday Lights Committee*

By the time you are reading this article, you will be enjoying the lovely holiday lights that grace our community. Decorations in Napanoch, Wawarsing, and Kerhonkson should likewise be in place by December 6<sup>th</sup>. This is the 11<sup>th</sup> year of our program, and each year I think the display is better than the previous year. I am very proud to work with this group of dedicated individuals who give so generously of their time and talent to make this program the huge success that it is.

Each year, *Imperial Schrade* graciously donates 100 special knives, the proceeds of which are used for maintenance of the decorations. This money is not used for the purchase of the decorations themselves, but rather for the replacement bulbs, wires, brackets, etc.

This year's knife is now available (see photo, left). There are a couple of changes to note. Previous knives in the series were uniquely numbered and contained a design of historic significance to the Ellenville-Wawarsing area. This year's knife bears the greeting "Happy Holidays 2003" on the blade, with the logo of the Town of Wawarsing on the handle. The knives are not numbered.

Those of you who have subscribed to the series in the past will be receiving a letter from the *Chamber* shortly with instructions on how to pay for and receive your knife. If you are not on the subscriber list and wish to purchase one of these knives, please call the *Chamber* office at 647-4620 and we'll be happy to accommodate you, as long as our supply lasts.

On behalf of the members of the *Holiday Lights Committee*, I wish you all a joyous, happy holiday season and a healthy, happy, and prosperous New Year. 🌟

# Yes, it's time for a chiropractor.

Chiropractic offers effective care for many of life's stresses and traumas. Years of specialized training mean that your doctor of chiropractic can provide health care that focuses on total body wellness. Health care that works without drugs or surgery. Maybe that's why, in a recent Gallup survey, 90 percent of chiropractic patients judged their care as effective. So, the next time life bangs you around, remember: It's time for a chiropractor.
