It is my sincere pleasure to introduce to you the 2004 members of the **Ellenville-Wawarsing Chamber of Commerce Board of Directors**. They are:

As with any changing of the guard, we are sorry to lose our outgoing President Dr. Mark Craft, past President Karen Osterhoudt, and former Vice-President Dianne Turner. Each of them served the **Chamber** well and faithfully and they will be missed. We also expect to select a new Vice-President at the coming Board meeting.

We have some exciting plans for 2004 and ask that you continue to read **Wawarsing.Net** for information and dates on upcoming events. Please mark your calendar now for **March 10<sup>th</sup> at 7:00 PM**. On that date, our **Pride Committee** and the **Town of Wawarsing Bicentennial Committee** will be holding a public meeting at the **Community Room of the Ellenville Public Library & Museum** to update all on the festivities being planned for Wawarsing's 200<sup>th</sup> birthday in 2006. This is one meeting you will want to attend.

The February meeting of the **Board of Directors** will take place on **Tuesday, February 3<sup>rd</sup> at 7:30 AM**. It will be hosted by Bill Tochterman at *Cohen's Bakery*. My instincts tell me it will be one of the best-attended Board meetings to date!

Until next time,

*Mary F. Sheeley*

President

## Hints for Success

Having a difficult time finishing projects and managing them at work? Try planning your workday. Before you leave work, write down a work plan for the following day. If that doesn't work, arrive a few minutes early before the rest of the staff has "punched in" and plan your workday then. Follow the plan and you will be surprised at how quickly your efficiency improves.
