As a life long resident of the Village of Ellenville, I have dedicated my life to the betterment of our community. Being an active member in many of our local youth organizations gives testimony to my belief that a great community begins with its youth. I have spent countless hours serving the community through the Ellenville First Aid & Rescue Squad, Noonday Club, Ellenville Little League, Ed Jacobs Youth Soccer League, and Run Like the Wind Race. I am proud to be part of these wonderful organizations, and to be able to give back something to the Village of Ellenville.

As your Justice, I will bring fairness and impartiality in the execution of my duties. I ask for your support on March 16th, 2004.

For the last ten years I have served you as your Village Justice. I have shown that I am willing to make the tough decisions when they come my way. People want a Judge who is tough on crime; until they are in trouble. People want a Judge who is compassionate; until they are hurt by crime.

Sitting in judgement of another is an awesome responsibility. I have always upheld the law and given fair and equal treatment to all those who have come before me. All members of our community deserve a Jurist who is even handed and understands the needs of our village and its people.

As your Judge I will continue to make the Justice Court a place where everyone receives justice.

Ellenville

by Elyssa Garcia, *Grade 5*

Ellenville is really cool,
I love this town,
I love this school!
You look outside and see the mountain,
There's stores, the post office,
And boy and the boot fountain!
In winter it snows alot,
It's cold,
And you can't remember hot!
Flowers bloom in summer and spring,
Ellenville is truly –
A wonderful thing!
