Free Prizes !!!

by Roberta Smith, scrabblebuff@hotmail.com

As my email address hints, I like games. I fancy myself a good Scrabble player, love Trivial Pursuit and Pass the Pigs, and had a good time composing this Wawarsing Trivia Game. (Yes, I suppose 'Free Prizes' is redundant, but I'm hoping it caught your attention.)

This game is tailored to the baby boomers (and their parents), with most of the questions referring to the Town of Wawarsing circa the 1950s through the 70s.

Grab a pencil and get started. (Note: Your answers, if correct, will fall in alphabetical order. Some letters of the alphabet will have multiple questions/answers. For example, there are four consecutive "B" answers. Indented questions such as 10, 11 are NOT alphabetical.)
