

## Spring

by Elyssa Garcia, grade 5

Flowers bloom,  
Wet April rain drops on my face,  
The water runs down my cheek to my chin,  
The water stops then goes again in a slow pace,  
The rain is still falling,  
And dropping down on me,  
I step in a puddle and splash,  
Mud gets on my shoe then up my pants to my knee,  
Butterflies emerge from their cocoons,  
Seeing the first of the world in a new way,  
Robins sit in their nest hiding eggs,  
They wait and wait until the day,  
Spring is a great season,  
It's a wonderful time of year,  
There are beautiful sights,  
And beautiful things to hear!
