

Scene Around Town

Since mid-March, four gold-on-green signs now grace the four major entrances to Ellenville on Routes 209 and 52. The above sign is currently at **The Point**, where **Market** joins with **Main**, towards the southern end of the Village. Below, left, is the new sign at the north end, and, right, the sign at the western line on **Rte. 52**; the fourth sign is at the eastern edge, where **Rte. 52** meets **South Gully Rd.**

The Village Board has initiated a contest for local groups or businesses to compete in, with prizes going to the best plantings and decorations around a chosen sign. Contact the Village Manager for details if interested. At the same time, new signs with the same Boy-With-Boot motif and style were also placed in front of **Village Hall**, above. Below, **Ellenville Lumber** has received a facelift and fresh paint to go along with new ownership (details in future issue).
