

Special Evening at Shadowland

The *Ellenville-Wawarsing Chamber of Commerce* and the *Shadowland Theatre* have joined forces to offer a special "Evening at Shadowland" **Thursday, August 26th**.

Any member of the *Chamber* who wishes to see "Meshuggah-Nuns" need only call the box office and ask for the "*Chamber* special" to receive a discounted ticket for the **August 26th** only performance.

"Meshuggah-Nuns" is a musical billed as "The Nun-sense Nuns meet Tevya on a cruise ship."

For more information, call the *Shadowland* box office at **647-5511**. ❄️

Bicentennial Update

The *Town of Wawarsing Bicentennial Committee* will have a booth at the *Ellenville-Wawarsing Chamber of Commerce Annual Blueberry Festival* on **August 28th**, so that interested residents and visitors will have the opportunity to learn more about the community's progress in organizing the 2006 celebration.

There have been two public planning sessions in 2004 and the 2006 calendar of events is being assembled, but very slowly. Representatives from township hamlets and organizations are invited to stop by the booth to learn more.

Various fund raising items will be available for purchase, including five of the six Bicentennial ornaments released to date, large tote bags printed with drawings of **Liberty Square** historic structures, and Bicentennial T-shirts scheduled to arrive just before the *Festival*. All proceeds go toward the expenses of publicizing and funding official celebratory events. The Bicentennial calendar will also publicize 2006 community events scheduled by local organizations in celebration of the 200th anniversary of the founding of the Town of Wawarsing. ❄️

Success at Work

A "financial statement" is an excellent way for a small business to evaluate its financial health. Financial statement forms are available at any bank just for the asking.

It can be quite an awakening when you see your assets listed along with your debts and other financial commitments. Of course your assets should outweigh your debts. If this is not the case, take a pro-active approach and develop a plan to make it happen. Have a financial expert help you analyze your statement so that it may work to your advantage.

Many businesses are surprised to find that they are sounder financially than they thought. If you fall into this category, use your financial statement to help your business grow. There are many lenders with competitive rates waiting for your call. Shop around! ❄️
