It's time once again to begin the search for candidates for the **Chamber Board of Directors**. Each September, the President appoints a Nominating Committee. The task of the committee is to present a slate of candidates to be voted on by the general membership in November.

Under the revised bylaws, we will elect four Directors this year. Three of them will serve full three-year terms (to 2007). The fourth will serve a two-year term (to 2006).

Next year, we will elect five Directors; three will serve full three-year terms (to 2008) and two will serve one-year terms (to 2006). After that, we will elect three members each year, and each will serve three years. Each Director is eligible to run for re-election once, making a total of six years of service. After that, they must step down for at least one year.

While some might question why we limit the length of time a member may serve, we believe it is this policy that has kept the **Chamber** vibrant and involved. New people bring new ideas and new ways. It is only through this process that any group can continue to thrive and grow. So, while it is sometimes difficult for us to lose a member, it is a bittersweet experience as we welcome new members.

This year, the expiring terms are Robin Anderson, Treasurer; Karen Berger, Secretary; Dwight Coombe and Peter Kosciolk. We will be losing Karen this year as she has served for six years and so must step down. Karen has served us well as our Secretary and her shoes will be very hard to fill.

If serving on the **Board of Directors** is something you are considering, please get in touch with me or Dr. Mark Craft, the Nominating Committee Chairman. And even if you don't think you are quite ready to serve on the Board, perhaps you would consider chairing one of our many worthwhile committees.

Until next month,

Mary F. Sheeley

President
