

## HMPC: Historic Buildings Notecards

The **Hunt Memorial Preservation Committee** announces the availability of four different notecards of historic buildings within the Town of Wawarsing. Pictures of the **Hunt Memorial Building**, the **Ellenville Post Office**, the **Greenfield Park One-Room Schoolhouse**, and **Norbury Hall** (see photo, right) have been reproduced in sepia on very good quality cream colored stock. The reverse of each folded card contains a short history of the building.

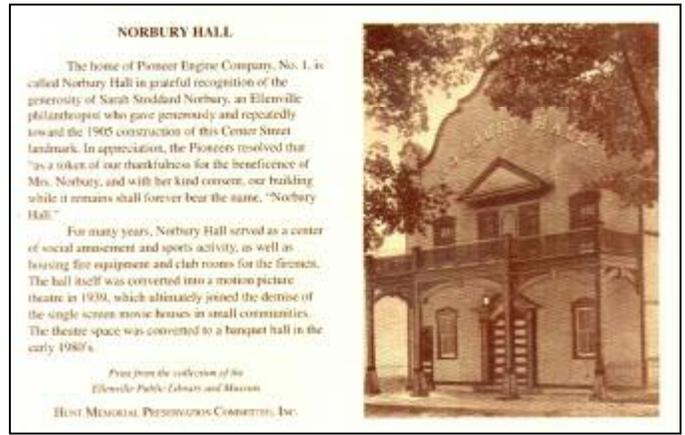

Cards are packaged either as a mixture of two each of the four buildings, or a set of eight copies of a single building. Each package sells for \$6, plus sales tax.

The **Hunt Memorial Preservation Committee** acknowledges the cooperation of the **Ellenville Public Library & Museum** in making pictures available for copying and extends its appreciation for the **Museum's** ongoing efforts to preserve local history.

Proceeds from the sale of the notecards will benefit the **HMPC**, a membership organization with the primary purpose of restoring and preserving the architectural integrity and historical significance of the **Hunt Memorial Building**, returning it to a combined community/business use. The **HMPC** hopes to expand its efforts to similar activities in the area of historic preservation within the Village of Ellenville and/or the Town of Wawarsing.

The **Hunt Memorial Preservation Committee** is currently cooperating with the Village of Ellenville in the effort to sell **Hunt Memorial** to a private individual or organization that will restore it for appropriate purposes. Part of the **HMPC's** efforts have been devoted to filing a nomination for the State and National Registers Program with the New York State Historic Preservation Office, part of the New York State Office of Parks, Recreation and Historic Preservation. The **Committee** recently received unofficial word that the nomination was successful, but no official correspondence has been received.

The notecard project for **HMPC** was chaired by its vice president, Phyllis Rubin. Packets of cards were available at the **HMPC** booth at the **Blueberry Festival**, and a regular outlet is being sought. For further information, call Marion Dumond at 647-7621 or Phyllis Rubin at 647-7582. 

## Please Fill-in and Return Survey!

As part of the **Town of Wawarsing Comprehensive Plan** project, **Wawarsing.Net** has offered to print a copy of the short-form survey for our readers. Thus, in addition to the 1000-plus random residents of Wawarsing who will receive a long-form version of the survey directly by mail, upwards of 5,000 persons can help the coordinators get more-thorough sampling results by responding to these key questions (*You may photocopy the form on page 11 if you don't wish to tear out the page.*) and returning the completed form to **Town Hall**. (*You don't have to sign it!*)

For more details on the Plan process, see the article on **page 6** of this issue, or **page 6** in the August issue. Or go to [www.fairweathergroup.com/Wawarsing](http://www.fairweathergroup.com/Wawarsing) (note: *Wawarsing must begin with a capital "W" or it won't work.*)
