## Enchanted Paintbrush Studio

Cragmoor artist Pamela Garritt has just returned from New York City's Faux Expo, bringing cutting edge techniques and products to the murals, trompe l'oeil, and faux finishes in her business *Enchanted Paintbrush Studio*.

Venetian Plasters, stone finishes, and metallics are some of the new finishes Garritt is bringing to the Hudson Valley after studying amongst world renowned craftspeople such as Michel Nadai. Nadai is a French trompe l'oeil and mural artisan voted Best Craftsman in France since 1995. He is also a lifetime member of The Salon, an elite guild with roots almost 1000 years old. The salon has an exclusive worldwide membership of approximately 300 members from 27 countries. They gather for a non-competitive demonstration of their skills.

Garritt has brought her own expertise to area homes, businesses, and schools. "Decorative painting, including murals, faux finishing, and plaster work, is very popular for walls, floors, and furniture. Locally, I have worked in many homes, *Ellenville Middle School and High School*, and at the Guiliano's *Aroma Thyme Bistro*."
