

Scene Around Town

Every day in every way, Ellenville's downtown is getting better and better! New stores have just opened, and are about to open, and old stores are getting facelifts.

Long an eyesore, the old Agway sign at **Liberty Square**, left, is finally going to get a makeover, according to Greg Black of Mountain Wings, which has just recently moved into the former WAGS store and is busy setting up shop with hang gliders, kayaks, and more.

Look for more details when the official grand opening is set.

Below, the former Dominick's site, which is across the street, is getting a more open view, to make the building more attractive to potential tenants, according to contractor Tim Bunch of Accord, below, who is installing new windows in Hal Brill's Great Gunks corner procelifts.
